### Professional Qualifications

Tom Miller is President and CEO of Thomas P. Miller and Associates, a strategic consulting firm he founded in 1989 that enhances the economic value of communities, companies, and organizations by aligning people, technology, and initiatives. Mr. Miller has broad management experience with a direct emphasis on economic and human capital development. His adaptable approach to economic development needs and methods has afforded him the opportunity to play a key role in several initiatives, such as the Indiana Department of Employment and Training Services and the Indiana Technology Partnership. In addition to strategic management of TPMA, client acquisition and growth, and management of a diverse team of innovative researchers and facilitators, Mr. Miller has applied his skills to many TPMA projects.

### Prior Experience

- President, Indiana Technology Partnership, 1999-2000
- Executive Director, Hancock County Council for Economic Development, 1989-1998
