

## Addendum

The Northern Panhandle Workforce Development Board (NPWDB), Inc. has contracted with Thomas P. Miller and Associates (TPMA) to manage the procurement of One-Stop Operator. TPMA released the RFP on March 22, 2021. Since the RFP was released, it was identified that a clerical error was made in the available costs for the contract.

The budget of \$125,000.00 is the **ANNUAL** amount (1 program year), not the total amount for all 4 program years.
